**Pastor’s Contact Information**

Tim’s Cell Number: 901 581-9247

Please call Tim’s cell number whenever you need to reach him. We ask that if you know of friends or family members who are sick, injured or having a medical procedure and/or surgery, **please call** the church office or Tim’s cell phone with this information. Don’t worry if we

already know—multiple calls will be much better than our not visiting someone who is ill at home, in the hospital, or in a care facility. We cannot visit if we are unaware of the situation.

**160<sup>th</sup> Anniversary Trivia Facts N Fun**

In the coming weeks, we will be asking questions about our past 160 years at FUMC. We hope to pique your interest, add to your information about our church, and have a lot of fun! The answer to each week’s question will be printed in the following week’s announcements.

Answer to 6-26 Question: Throughout the research for the stained glass windows, Scott Eaton with Freebird Glass Restoration has given us information about our windows. Freebird is the company who restored our windows in 2009. According to Scott, each of our windows would have cost the family \$513.00 to make and install. Now he says the current replacement value would be between \$100,000 to \$150,000 each. Of course historic value would be much more and they are irreplaceable.

Question July 3, 2016: As you leave the sanctuary today, if you go by way of the narthex and down the hallway leading around to the church office, you might notice several group photos made through the years featuring a Sunday School Class. Beside the photos is a beautiful embroidery honoring a Christian lady who taught the class and worked in the church office for many years. Members of the class honored this lady by naming their class after her. Who was this lady?
